Attention: Mr. Eric Dailey, District Manager

Subject: Notification of Intention To Access Fishhawk Community Development District II  
Properties for Environmental Investigation of Soil and Groundwater

Gentlemen/Ladies:

In accordance with the site access agreement between Fishhawk Community Development District (CDD) II and Ardaman & Associates, Inc. (Ardaman), we are hereby providing the required notification to the Owner of our intention to access the subject properties for performing an environmental investigation of soil and groundwater. Ardaman and our subcontractor, National Environmental Technology, Inc., intend to start work on the subject properties on Wednesday, March 9, 2011 at approximately 8:00 am. The work to be performing will include collecting geoprobe samples of groundwater, installing direct push monitor wells, and sampling of the monitor wells after installation. Part of the work proposed to start on March 9 will be performed within 100 feet of and visible from adjacent private residences, which requires additional notice that is hereby provided.

Feel free to call me if you have any questions.

Very truly yours,  
ARDAMAN & ASSOCIATES, INC.

Patrick A, Kennedy, P.E.  
Project Manager
